Per Capita Allocation for Agriculture and Rural Development

4115. SHRI RAHASBIHARI BARIK: Will the PRIME MINISTER be pleased to state:

(a) the per capita allocation for agriculture and rural development during each of the last three years, Statewise;

(b) the amount demanded by each State Government and the funds sanctioned by Government for the purpose during each of the last three years; and

(c) the criteria laid down by Government for the allotment of funds to State Governments?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAY AND THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF STATE IN THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI RAM NAIK): (a) and (c) The overall plan outalys of the States are decided through mutual discussions between the Deputy Chairman, Planning Commission and the respective Chief Minister/ Governors keeping in view the availability of resources which consist of State's own Resources and Central Assistance. The sector wise allocations within the total plan outaly are proposed by the States and finalised in consultation with the Planning Commission keeping in view their priorities and the overall objectives of the Five Year Plan and these are not decided on per capita basis. A Statement indicating the State-wise allocations for Agiculture and Rural Development for the State Plans as decided on the basis of mutal discussions for the years 1995-96, 1996-97 and 1997-98 is at Annexure. [*See* Appendix, 184 Annexure No. 102]. Statewise outlays for Agriculture and Rural Development sectors divided by respective population of the States for the census year 1991 are shown at Annexure. [*See* Appendix 184, Annexure No. 102]. The Central Assistance for State Plans is provided in the form of Block Loans and Grants which is allocated on the basis of Gadgil-Mukherjee formula approved by the National Development Council 1991. As per the formula, after providing required funds for Externally Aided Projects and for Area Programmes, from the balance, 30% is kept aside for 10 Special Category States. The balance is distributed among the Non-Special Category States by taking into account certain parameters like state's per capita income, population, performance, special problems etc.

Besides the Outlays for different sectors for the State Plans, outlays are also allocated for Central Ministries on the basis of inter-se priority of different sectors and total resource availability in consultation with the concerned

Ministries. These outlays are also not decided on per capita basis. The details of Central sector Outlays for Agriculture and Rural Development sectors during the last three years are at Annexure [*See* Appendix 184, Annexure No. 102]

Position of Natural Resources

4116. SHRI W. ANGOU SINGH: Will the PRIME MINISTER be pleased to state:

(a) the position of natural resources of each State of the country;

(b) the measures taken by Government for increasing the natural resources of each State; and
